Dear Joe Ferrario:

It is with great pleasure that I recommend your company All American Cable Services that I had the pleasure of working with during the reconstruction of Newwave Communications Cable Plant after the Ice Storm in February of 2009.

All American cable Services displayed a high degree of integrity, responsibility, and concern for our customers during the repairs of our badly damaged plant

I found All Americans construction Teams to be most dependable and very much a team player.

All American would be an asset to assist any organization with construction needs, and I am happy to give her my wholehearted endorsement.

Sincerely,

Scott Saxner
